Dear Dalia,

I am in receipt of your letter dated May 31st, stating that as of July 1st, NH Help Line will be changing its hours of operation.

To that end, I wanted to inform you that we have recently implemented a toll-free number in the operations center at the Youth Development Center.

The sole purpose of this number is to field any calls that pertain to delinquent or CHINS matters. With that said, I would respectfully request that you pass this information along to the NH Help Line staff. Should they receive any calls in reference to delinquents or CHINS, they can refer the caller to **1-888-230-0606**, and our staff will be happy to assist them.

While this line will be manned 24-hours a day, seven day a week, I again stress that it is intended for the sole purpose of the matters mentioned above. We appreciate any caution being exercised before it is given it out, as we have a small staff in operations, each with multiple responsibilities.

Thank you for your attention to this matter. Should you have any additional questions, please feel free to contact me at 625-5471, ext. 243.

Regards,

John McDermott
Acting Director
